...Now I beg of you my friend  
Listen to my plea  
Never speak a word of this  
It must stay with you and me

For the magic of the Sasquatch  
Lies in the mystery  
So I leave you now with a gift my friend...  
A reason to believe...

## Pearls and Diamonds

MoniKea Hatten

Life is an unknown abyss  
    The deep draws you near  
Creature of the night and a rebel drawn to the dawn of a new day  
    Wondering what's to come but hoping for little change  
Wonder is left to decay the mind  
    Judgments are left untamed and pierce through the soul of time  
Why leave the comfort of this unknown abyss?  
    Why can't we stop the pattern?  
Breaking the cycle will be to ambiguous  
    The lust of Life will draw us all to vision  
God forbid we are drawn to vision  
Seeing more of the unknown will swallow us whole  
Comfort is appeased  
    Pain is shunned for the sake of Life  
Life is no more without passion of another kind  
    Minds are crumbling impetuously  
Stop! Look at the Life that could be  
    Life that will hurt and cause change  
Life of the past, present and future,  
    One that can fulfill not only yourself but the universe  
This Life is pain only if you have vision  
    Life without pain is cursed with poverty in spirit  
Take place in the circle of Life  
    Indulge in pain and the ambitions of Life!  
Life with pain is blessed with character  
    God bless the Pressures, Irritations, and our Ambitions  
Beautiful, aren't we?  
    Forced into Pearls and Diamonds of trade  
Priceless, are we not?  
    Only hunger for the desirable abyss  
Precious aren't we?  
    Only with Ambition
